

## Sugar Land Women's Health

Giving Women the Compassionate, Expert Healthcare they deserve

By Barbara B. Johnson • Photography by Visage Photography

Women of all ages in Sugar Land, Texas are in for a sweet experience. The all-female practice which operates out of freshly renovated offices gives patients the individualized attention only women can offer, in a warm and welcoming environment.

Dr. Michelle Wong, M.D., F.A.C.O.G. is a mother whose passion is helping women be the best they can be. Educated at Cornell University and at George Washington University Medical School, she graduated "with distinction" and completed her residency at the National Naval Medical Center in Bethesda, MD and the Walter Reed Army Medical Center in Washington, D.C. She is board-certified, and is the recipient of numerous awards and recognition for her outstanding work, and is a fellow of the American College of OB/GYN. She has extensive experience in minimally invasive surgery and all women's health issues. Learn more about her at [MichelleWongMD.com](http://MichelleWongMD.com).

Dr. Chantal Nguyen Tran, M.D., F.A.C.O.G. was educated at Houston Baptist University and the University of Texas Health Science Center in San Antonio. She is board-certified. In 2011 she was awarded outstanding female physician at Memorial Hermann Sugar Land Hospital. She is currently chairman of the OB/PEDI

department and serves on various executive committees for patient care and safety. Her clinical interests range from adolescent to menopausal care. She performs in-office procedures and laparoscopic surgeries, and is committed to providing her patients with education and support.

Dr. Lauren Phillips, M.D. graduated summa cum laude from Texas A&M University and earned her M.D. at The University of Texas at Houston where she was a member of the Alpha Omega Alpha Honor Society. She completed her residency at Baylor University Medical Center. She specializes in minimally invasive surgery, hormone and menopause management, fertility and obstetrics.
